

Superhero Element Project

Project criteria:

- A name and drawing of your hero.
- Hero profile (where are they from, eye color, hair color, height, their symbol, and their age)
- Superpowers and personality (powers need to be based off the element) (research what the element can do)
- A short origin story (How did they get their powers is a short paragraph 4 – 6 sentences perhaps more) (how did they become a superhero should be the same 4 – 6 sentences perhaps more)
- A nemesis (whose powers should be based off a different element should be a short paragraph and a profile of evil deeds/abilities)
- What are the evil villains' plans? (short paragraph 4 -6)
- How will your hero beat the villain? (short paragraph 4 -6)
- Sources of information

Project formats:

- Can be poster.
- News paper article
- PowerPoint
- If you have another idea, we can talk about it as an option
